

FIGHT HUNGER & POVERTY

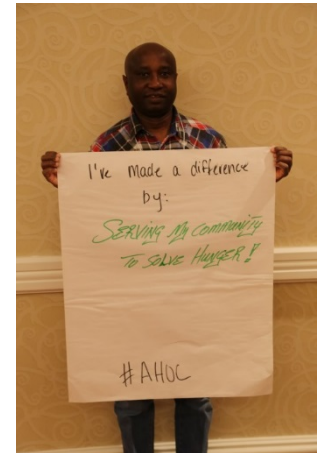

Anti-Hunger and Opportunity Corps

What is the Anti-Hunger and Opportunity Corps?

The Anti-Hunger and Opportunity Corps (AHOC) is a nationwide AmeriCorps VISTA program funded by USDA Food and Nutrition Services, the Walmart Foundation and the Corporation for National and Community Service. As the program sponsor, Hunger Free America, whose mission is to “move society beyond the soup kitchen,” partners with some of the nation’s most innovative anti-hunger nonprofit organizations in engaging individuals to commit years of their lives as community change agents in this best practice-originating and highly commended program. Members in the AHOC program implement projects, build capacity, manage volunteers and expand community support for ending hunger by breaking down barriers and improving access to nutritious food and expanding economic opportunity through programs like SNAP (formerly Food Stamps) and SNAP Employment and Training.
